Their instructors are Mrs. Luhn and Mrs. Dalton. They are from Senator Stromer's district and I think we lost 17 4th Grade students from Beaver Crossing and four adults. Their instructor was Mrs. Yoder, from Senator Epke's district. Anyway, we are delighted to have you here today as observers of the Nebraska Unicameral Legislature and we hope you enjoy your visit to the Capitol City and also to this very unique body. Ask you to indicate your presence. Senator Dickinson, we are under Call of the House. Take your seat, please. Please take your seat. Senator Clark, please sit down. Thank you, sir. That's as good as the one that Senator Burbach told. The time that he was without his glasses and he said he'd take his seat if he could find his chair. We are still under Call of the House and the issue under vote is the Proud plan for adjournment. Senator Carpenter.

SENATOR CARPENTER: A roll call vote is what I am going to ask for.

PRESIDENT: Senator Carpenter is now asking for a roll call vote on the issue.

CLERK: Roll call vote started.

PRESIDENT: I was going to say, please don't ask us to reverse the order again.

CLERK: Roll call vote.

PRESIDENT: Roll call vote on the Proud plan.

CLERK: Roll call vote continued.

PRESIDENT: We are still under Call of the House. The motion is to Raise the Call. All those in favor vote aye. All those opposed vote no. Well, that's the quickest vote of the day. The clerk will record.

CLERK: 39 ayes to raise the Call.

PRESIDENT: Thank you. The Call is raised.

CLERK: 21 ayes, 23 nays on the original motion.

PRESIDENT: 21 ayes, 23 nays?

CLERK:.. Yes.

PRESIDENT: The motion fails. The chair recognizes Senator Burbach.

SENATOR BURBACH: I am conferring with Emory Burnett at the moment to see how it would work and what we can do to move this along and probably get done in the month of May. There is an alternative to move this along if we so desire. I hesitate to offer this because I believe we committed ourselves to go with the Omaha Chamber of Commerce but if we want to give up Monday and Tuesday, this is one program, or if we want to give up the trip with the Omaha Chamber of Commerce at the moment, I think that that trip could be rearranged just prior to the veto day if it is suitable and if it is possible with the Omaha Chamber of Commerce. But to take into our time at this time, it would disrupt the things that I think that the vote just indicated we want to do. So if you will just give me a few moments, if you have any other provisions on the desk, Mr. Burnett will have these dates for us and then I will offer that motion.

PRESIDENT: Very good. We do have some Select File things to go to here. Senator Syas, did you want to discuss this issue further.
